A black and white close-up portrait of a woman with dark hair, looking directly at the camera. She has a nose ring, a lip ring, and a small earring. She is wearing a dark, textured sweater and a chain necklace. The background is blurred, showing another person's face in the upper right corner.

"Music in the end is a channel, a tool that makes me connect to amazing characters, amazing souls, all of those people that are reunited in the same space with the same purpose, which is to celebrate life."

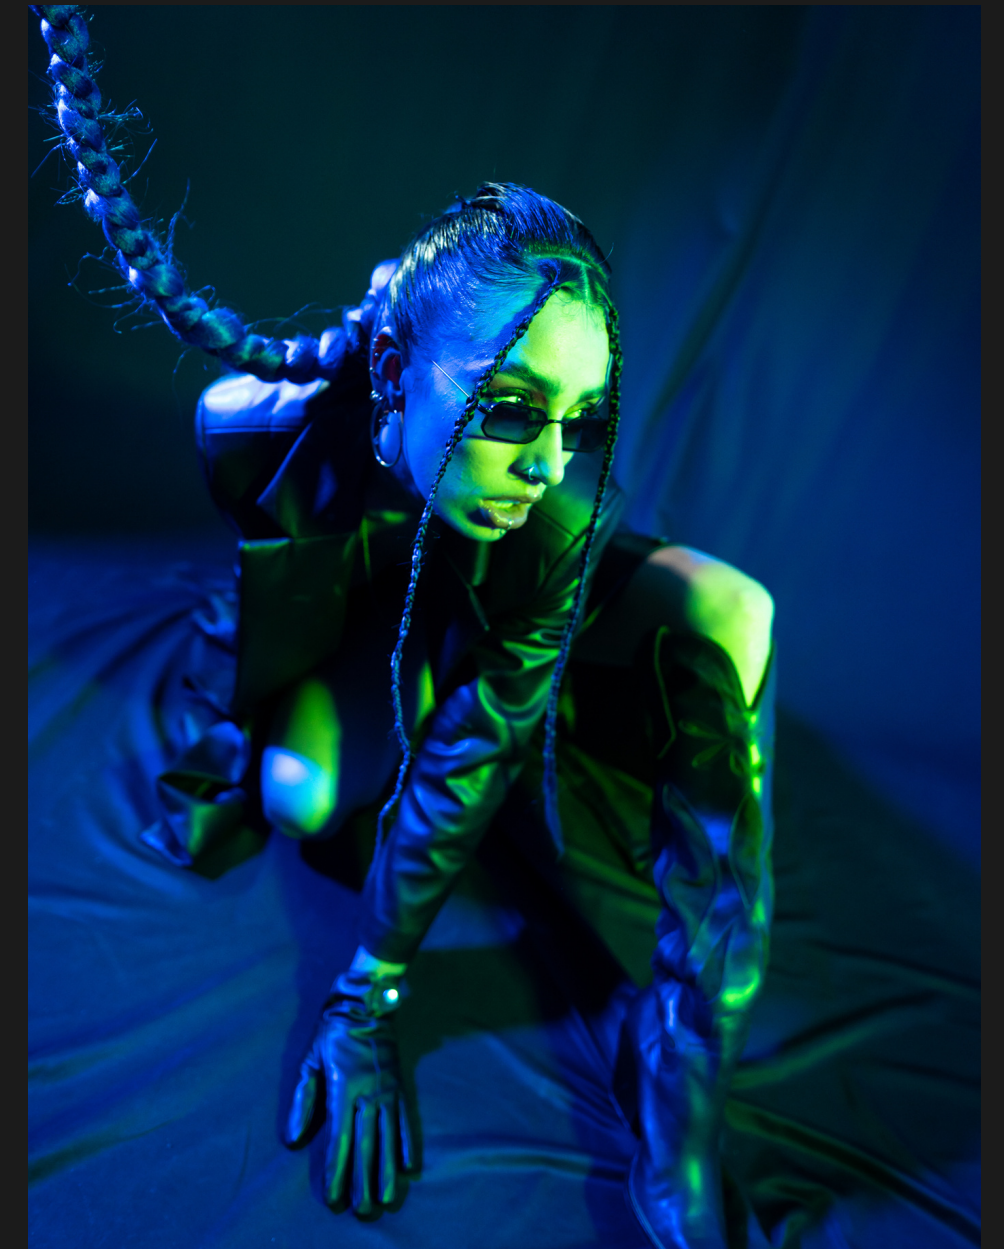

THE MUSIC

Gaya's music identity can best be described as a collection of Indie dance, Afro, Amazonian, and progressive sounds, seamlessly embedded into a flow of melodic techno, creating an uplifting atmosphere.

Ibiza born DJ and music producer Gaya Brisa, has made herself known as a tribal techno artist who defies the norm. With her multicultural upbringing in Ibiza and in countries such as India and Mexico, she began her journey with a passion for electronic music from a very young age, drawing on the intake and inspiration from the cultures she experienced; her music transmitting an unmistakable eclectic sound.

Since 2016 when she embarked on her music career, Gaya has been captivating audiences with her well-defined style and her bursting on-stage energy, removing barriers to experience people, cultures, and natural beauty. Gaya's performance combined with her eclectic music fingerprint sweeps the audience into a space of freedom and trance. In 2021 she released her first original tracks further enhancing her artistic repertoire.

**"For me being creative means to be in
love with life. You can be creative only if
you love life enough that you want to
enhance its beauty."**

ON STAGE

Gaya has been performing since she was 17, landing her first big residency at the age of 19 in Amnesia for the event "People from Ibiza" and over the years she has held notable residencies on the Island such as at Pacha and Cova Santa. Since 2022 Gaya's career has flourished internationally and she has been focused on touring worldwide performing on many big stages and making an impact on dance floors globally.

ORIGINAL MUSIC PRODUCTION

Gaya's love for music goes beyond mixing, she is a songwriter and poet, guitarist and music producer. Releasing her first original tracks in 2021 was a natural move for this music aficionado. More of Gaya's eclectic fingerprint to be debuted in her soon to be released EP.

"I think music is timeless. It is always in constant growth and humanity is going to find different ways of presenting and sharing it with each other"

FROM THE PRESS

"When I play, I think about celebrating life, being grateful for being here and now, being able to feel our breath and steps to the rhythm of the beat as we move in order to escape and be aware of the beauty in the simplicity of existing. That's what I want to transmit to people because it's what I feel when I become music"
